

Tuskegee Airmen Essay Contest

Until the freshmen I never heard of the Tuskegee Airmen. The Tuskegee Airmen were the very first African Americans to take flight above the skies to fight in the war. In this paper I will describe the Tuskegee Airmen and their six guiding principles that led to their success.

In the early 1940's the first ever black pilots were called the Tuskegee Airmen. The Tuskegee Airmen were the most useful help in WW2 History since they were in the air flying to take down the bombers on the enemy side. The Tuskegee Airmen were recruited to help them win this war as the other countries military tools got a huge upgrade. They made history as they had a double win and it was for fighting against fascim and winning the fight for their home. (1)

In conclusion I learned that the Tuskegee Airmen changed the rules for the army to have any race and any gender to become a member of the army. This changed our lives since it shows us that we can become anyone we want in life. Also they made us come together as one to be a better nation and better people. Lastly they changed all of us that nothing is impossible to achieve.
